HERTS TENNIS UPDATE

COUNTY TRAINING

- Additional County Training opportunities for players age u8 upwards. The u9, u10, u12 and u14 age groups now receive a minimum of 10 training sessions annually
- 3 annual “Herts Tennis Potential” sessions for U8 players nominated by their club/coach which form part of the selection process for mini red county training and Herts mini red county team
- Over 200 players are involved in County Training with players coming from 22 different Herts clubs
- Introduction of U11 age group
- recruited 10 new coaches into the county coaching team. We now have a total of 26 coaches involved in the delivery of County Tennis and Captaincy of teams; these coaches come from 12 different Herts Tennis Clubs
- Come and see County training in action! It is a great opportunity to see the standards of county players and to get some new coaching ideas

CLUB AND PERFORMANCE NETWORK

- The Herts Tennis Clubs & Performance Network is a positive collaboration between Hertfordshire Clubs and Herts Tennis and sees us working together with the collective aim to increase tennis participation, advance programme delivery and improve player levels from mini-red through to international levels
- We have been working to identify and recruit clubs who are dedicated to increasing tennis participation and have the ambition/track record in developing young tennis players to county level and above
- The Herts Clubs & Performance Network currently has 15 tennis clubs involved. These clubs are involved in the delivery of the established Pathway to Tarbes, Herts Inspires Tennis and the new Herts Inspires Tennis Potential programmes.
- We are keen to work with club's who would like to join us in our aim to increase participation and to "make our players better players"

HERTS COUNTY TEAMS

- A clear measure of the success of Hertfordshire clubs and coaches is in the achievements of our County teams and the last 12 months have been great....
