## LTA Youth Tennis Schools

### Teachers Courses April 25<sup>th</sup> 5-7pm Batchwood Tennis Centre

We strongly recommend:

- **Our FREE Herts Schools on court 2-hour Teachers Course.** A practical session with new ideas and drills for 2024. You can send as many teachers as you wish! Teachers who complete the course will receive an LTA Youth Tennis Resource Pack and a **£250 voucher** to spend on ten hours of team-teaching support from an LTA Accredited Coach, or equipment! (one per school). The course is open to all teachers, but there is only one resource pack per school.
- This is available in Herts in addition to the free online LTA Youth Tennis Schools course to guide you through how to use our innovative resources that have been developed by teachers, for teachers.
- As well as PE resources that have been mapped to the national curriculum, the cross-curricular programme includes leadership, employability and mental health and wellbeing resources to support wider school outcomes.
