This is a Round Robin Tournament, for players with more experience of playing mini red tennis. The aim is to encourage players in building competition experience. Players with no match experience or very little match experience should enter the competition at Dellcott. The matches will be played on a mini red sized court. The format is timed tiebreak. All matches will be umpired. All the players will be involved throughout the afternoon.

All teams must be accompanied by an adult who remains on site throughout the competition. We are unable to accept responsibility for unaccompanied teams. Adults may be required to umpire.

**We would like to take a photograph of all the players together at the end of the event. Please let us know if this is a problem. Anyone else who wishes to take photographs during the event must first report to the organisers.**
